### **Roll Call/Minutes:**

-Sign in sheet at the front table.

### **Reports:**

#### **Registrar (Wendy Campbell)**

-COMPLETE paperwork must be turned into the office, not bits and pieces.

-MANY fines/fees need to be paid before a late fee is assessed. Look on the website for the club fines and forfeit fees.

-Schedule: field changes have been a nightmare and some teams have dropped out after the schedule was made.

\*\*make sure you look for changes in the schedule\*\*

-In the spring, make sure your fields are set before the night of the competition meeting.

-PS1 roster changes will be worked on this week but not guaranteed for the opening weekend. If paperwork is already in the office, it will be ok to play OPENING weekend.

-A CHECK LIST will be created for teams which must be included with each team's paperwork. This will start in the spring time.

### **Treasurer (Paul Predmore)**

-\$209,560.50 Balance

-EPYSA fees are now due.

### **Game Commissioner (Jim Lamb)**

-All games must be rescheduled by September 22<sup>nd</sup>.

-Work out all game changes by contacting opposing coaches. Do NOT change a game without contacting the opposing coach!

### **Referee Association (Terry Mull)**

-Outlying areas might have a problem with having referees scheduled. There is going to be a need to move some game times around to be able to schedule refs for these areas.

Watch for the time changes.

-Encourage others to become referees especially in the outlying areas...there is a great need for refs.

-Shortage of refs: many of our refs also referee PIAA games and since high school games pay more and many of our referees are also playing high school ball so there is a shortage of referees once again for the fall season.

-U12 and above teams will be having a three man referee system.

### **VP Programs (Phil Frederick-not in attendance)**

-nothing to report.

### **VP Girls (Joe Butera)**

-Thanked clubs for their help at the competition meeting.

### **VP Boys (Terry Gerlinski)**

-Make sure all teams have carded coaches and more than one. Any carded coach from the club can coach a team from within their club.

-Speak to parents about their behavior on the side lines. Coaches are responsible and referees will hold the coach responsible for the parent's behavior. Be mindful of the job the referees do.

### **Club Reports:**

-Susquehanna Soccer Club will be having its 4<sup>th</sup> Annual Golf Tournament on Friday, September 19<sup>th</sup>. See their website for further information. [www.ssc1.org](http://www.ssc1.org)

### **District Commissioner (Phil Frederick-not in attendance)**

-nothing to report.

### **President (Jim Connors)**

-Discussed levels of competition being played in CPYSL and the divisions that need to be made. This will be

discussed again at the November meeting. Clubs were asked to discuss divisions with their teams and be ready to discuss at the next meeting.

-444 teams playing this fall!!

-Encourage your coaches and parents to behave.

-Lightning policy needs to be followed not only in games but during practice as well. Remove the players from the fields and premises.

-SCORE CARDS...must be filled out COMPLETELY for the fall!!!

-Referees would like to see coaches check opposing team's player passes so it would save time in between games.

There were no comments from the clubs in regards to this matter. As of this point, referees will continue to check player passes themselves.

### **Good of the Game**

-Halifax noted that Fred Landau held a meeting to discuss the laws of the game. They said it was very good and learned a lot.

Motion to adjourn at 9:15pm by Joe Butera.

**NEXT BOARD MEETING:  
November 12th, 2014 at 7pm.**
