### **President (Jim Conners)**

- Rescheduling of CPYSL games should not be done to accommodate coaches and players schedules.
- CPYSL will not be "policing" field and goal sizes. Clubs should be trying to have the most accurate sizes but we understand that depending on pre-existing field sites, this may not always be possible. Do your best with what your club has.
- Make sure fields are being lined weekly.
- US Youth Soccer may be requiring coaches to have coaching license in the future. F-license will be offered online and E-license will be a weekend of learning.
- Small sided games (U9-U12) will not be keeping stats on the website. Patches will not be given at this age either. This is a mandated change for EPYSA. Discussion held and clubs are upset. Jim encourages clubs to reach out to EPYSA.

### **REVISION:**

Note: This was an email error in communication with EPYSA. CPYSL will be keeping stats and giving patches for division winners. Jim sent an email to clubs explaining.

  - U9/10 will be a maximum of 14 players plays 7v7
  - U11/12 will be a maximum of 14 players plays 9v9
  - U13 and above will be a maximum of 22 players (18 dressed for games) plays 11v11

U9-U12 team can use 2 club pass players each game

U15 and above can use 4 club pass players or 2 club + 2 secondary players each game

-Snowflake will be held 2 weekends in November. Girls will be November 5/6 and Boys will be November 12/13.

-U11 and younger may not DELIBERATELY head the ball in a game.

Discussion held on upcoming rules that may come into effect in the future by US Youth Soccer, estimated time for the rules to be implemented by EPYSA is next fall.

Example: 7v7-training will be no more than 1-2 sessions per game and no more than 1 game a day, no more than 20 games per year, minimum 50% playing time, minimum 2 rest days per week during the season, travel no more than 1 hour for a game, tournaments will have no champions.

Example: 9v9-training will be no more than 2-3 per game and no more than 30 games per year, minimum 50% playing time, minimum 2 rest days per week, travel limited allowance for overnight trips, tournaments will have no champions.

Build Out Line- discussion on the new line. No offside between the BOL and HL. Promotes less pressured setting for putting ball back into play. Once keeper has possession, attackers must retreat to BOL as keeper releases, attackers may now enter area. No punting if keeper releases before attackers get beyond BOL, continue play. The BOL is equal distance between the halfway and penalty area.
